MALF DATASET USER AGREEMENT

The undersigned,

Full name:
 Title:
 Institution:
 Address:
 Email:
 Website:

agrees to the following conditions about the use of the MALF dataset:

1. MALF dataset is short for Multi-Attribute Labelled Faces dataset collected and provided by Center for Biometrics and Security Research.
2. You are hereby given permission to copy this data in electronic or hard copy form for your own scientific use and to distribute it for scientific use to colleagues within your research group. Inclusion of rendered images or video made from this data in a scholarly publication (printed or electronic) is also permitted. In this case, credit must be given to the publication: *Bin Yang, Junjie Yan, Zhen Lei and Stan Z. Li. Fine-grained Evaluation on Face Detection in the Wild.*
3. Any commercial use of the data is prohibited. Commercial use includes but is not limited to sale of the data, derivatives, replicas, images, or video, inclusion in a product for sale, or inclusion in advertisements (printed or electronic), on commercially-oriented web sites, or in trade shows.
4. No attempts will be made to recover personal information such as email addresses or user IDs of anonymized persons appeared in the dataset.
5. This agreement is to be hand signed on the User information above and Date and Signature below by the lab responsible or a staff member. The signed agreement should be emailed back to the dataset provider.
